The organizer, with the approval of the jury, reserves the right to change the schedule, flight times, number and duration of rounds, breaks, etc. depending on field conditions and weather conditions.

There are no planned breaks between rounds.
In categories where possible, there will be a rotation of starting positions.

Note: We expect that the competitors will also get involved in measuring the duration of the flights and thus help the timekeepers. This especially applies to fly-off flights, when there are always time- keepers missing.

Organizer keeps right to change schedule, flying time (maximum) and time duration of rounds according to the weather conditions, with the consent and support of the jury.

Note: We expect competitors who will not participate in the Fly off flight, to help to the time keepers.
